## Europa Truck Trial Italy #02/17

*Ready for action!* After the first German stage on May 13 and 14 in Hulen / Lauchheim, and the second that has just ended in France at Montalieu-Vercieu, now is time for Italy with the third run of the Europa Truck Trial championship that will take place in Oleggio ( NO) on the weekend of 10 and 11 June. This is an important occasion for our national motorsport because it is the first time that this historic European championship coming in our peninsula.

Step by step the general rankings are outlining and the "battle", always sporty, to get to the head positions is more than ever turned on. The Truck Trial crews, divided into 4 categories (2 axes, 3 axles, 4 axles and prototypes), are eager to face the Oleggio's new track.

Mya Eventi, the Italian organizer, and OVS, the entire championship manager, have worked hard to provide the public with an unforgettable spectacle while at the same time providing to the teams with the high qualitative and competitive standards they are accustomed to.
